

# BAY COUNTY LIBRARY SYSTEM PARK USAGE POLICY

## **PERSHING PARK**

Pershing Park, the landscaped grounds and parking area east of the Sage Branch Library, is leased by the City of Bay City to the Bay County Library System until the year 2087 A.D. Under the terms of the lease, the park is now governed by the library and is no longer part of the City's park system.

The Bay County Library System Board of Trustees has determined that the area known as Pershing Park shall be considered as an extension of the library grounds and not as a separate park.

Within provisions of the Library Ordinance (Bay County Ordinance No. 26, 1988) and ad hoc rules which may be established from time to time, the Bay County Library System will try to accommodate occasional requests for the use of library grounds. The decision of the library, as Lessee, as to whether or not any particular activity, event, display, exhibit or other activity is of sufficient merit to be held in the park, shall be final.

Questions should be addressed to the Director of the Bay County Library System, 500 Center Avenue, Bay City, MI 48708 – Phone: 989-894-2837 ext. 2214

## **SOUTH BATTERY PARK**

South Battery Park and its landscaped grounds are leased by the City of Bay City to the Bay County Library System until the year 2105 A.D. Under the terms of the lease, the park is now governed by the library and is no longer part of the City's park system.

Within provisions of the Library Ordinance (Bay County Ordinance No. 26, 1988) and ad hoc rules which may be established from time to time, the Bay County Library System will try to accommodate occasional requests for the use of library grounds. The decision of the library, as Lessee, as to whether or not any particular activity, event, display, exhibit or other activity is of sufficient merit to be held in the park, shall be final.
