

www.baycountylibrary.org/1000Books

How-To:

- Read or listen to books, magazines, or audiobooks. Read the same title as many times as you like.
- Track the number of titles read using either the chart below (color one circle per book) or the free READsquared app (available on Google Play or the App Store).
- Books read for summer and winter reading programs and library-led programs like Storytime count, too!
- Return to the library after every 100 books to receive a new paper log.
- **Finish 1000 books before your child enters Kindergarten to receive a certificate and other prizes!**
