

BAY COUNTY LIBRARY SYSTEM RULES OF CONDUCT POLICY

The Bay County Library System is supported by the taxpayers of Bay County and the state of Michigan, who expect our facilities to be clean, comfortable, and safe places for selecting materials, reading, researching, studying, writing, and attending library or community sponsored programs and meetings. To that end, this policy, which includes the Rules of Conduct listed below, shall be posted in conspicuous locations in all library buildings.

Enforcement of these rules will be conducted in a fair and reasonable manner. Library staff will intervene to stop prohibited activities and behaviors. Failure to comply with the library's established rules, regulations, and policies could result in revocation of library privileges, or removal from the premises and suspension from library buildings, bookmobiles, and library grounds for a period of one day to one year, or longer, or arrest and prosecution.

A patron who disagrees with the form of discipline administered by a library staff member may register their complaint in writing, within ten calendar days, to the Director. The library Director, or his/her designee, will investigate and respond in writing, within ten calendar days, following receipt of the complaint. If the patron disagrees with the decision of the library Director, he/she may appeal to the library Board of Trustees, who will render a final decision.
